

Construction Update: For Hire Vehicle Relocation

Please be advised that beginning Monday, March 30th, For Hire Vehicles (FHV) staging will be relocated to a lot on 23rd Avenue (the former Parking Spot). To ensure minimal disturbances to our neighbors we are putting several mitigation measures in place which include:

- Close proximity to access the airport entrance
- Full time attendant
- Dedicated Restroom Facilities with regular servicing/cleaning.
- Frequent patrols by PAPD
- Geo Fence - Only vehicles parked in the designated areas can get a fare for the airport
